Organ Transplant Information

State or nationally recognized organizations that provide unbiased information concerning organ, eye and tissue donation may request an opportunity to present to the Board. Qualified organizations will be allowed at least thirty (30) minutes to speak at a Board meeting. The Board will determine whether such information will be presented to parents and/or students and, if so, the manner of presentation. However, no student will be required to be present for any instruction related to organ, eye or tissue donation if the student has a sincerely held religious or emotional belief which is contrary to such instruction.
