Policy 2270 **(Regulation 2270)**

Admission and Withdrawal

Migrant Students

The Board of Education is committed to the identification, needs assessment and enrollment of migrant students living within the District. The District's Coordinator of Programs for Homeless Students is also responsible for implementation and maintenance of the District's program for migrant students. (See also Policy 6274 – Instruction for Migrant Students.)

The Board of Education directs the administration to screen students, as required by law, to assist the state in identifying migratory children. If the District becomes aware of any student who might be a migrant student, the superintendent or designee will notify the state director of migrant education, as designated by the Department of Elementary and Secondary Education (DESE), so that the student may be formally recognized as a migrant student.

The administration will develop written administrative procedures for ensuring that migrant students, once identified, receive services for which they are eligible. In developing and implementing a program to address the needs of migratory children, the District will:

1. Screen students and assess the educational and related health and social needs of each student identified as migrant.
2. Provide a full range of services to migrant students, including applicable Title I programs, special education, gifted education, career or technical education, language programs, counseling programs, elective classes, fine arts classes, etc.
3. Provide migratory children with the opportunity to meet the same statewide assessment standards that all children are expected to meet.
4. To the extent feasible, provide advocacy and outreach programs to migratory children and their families and professional development for district staff.
5. Provide parents/guardians an opportunity for meaningful participation in the program.

Regulation 2270

Admission and Withdrawal

Migrant Students

Identification

For purposes of Board policies and regulations, the phrase *migratory students* shall mean students aged three (3) through twenty-one (21) who are or whose parents/guardians or spouses are migratory agricultural workers, including migratory dairy workers or migratory fishers; and who in the preceding thirty-six (36) months, in order to obtain or accompany such parents/guardians or spouses in obtaining temporary or seasonal employment in agriculture or fishing work, have moved from one school district to another.

The District will identify migrant students by including questions on the District's enrollment form. If it is indicated that a migrant student is enrolling, the parents will then be asked to complete a parent survey/family interview form provided by the State Office for Migrant-English Language Learner (MELL) Program. The Regional Migrant Center or the State Director for Migrant Education will be notified of any migrant students who are enrolled in the District. The Regional Migrant Center will be contacted for any assistance needed for the migrant student(s).

Services

School District personnel including secretaries, nurses, counselors, teachers and principals will be advised of the presence of eligible migrant students in their assigned schools to ensure that equal access to all school programs is provided. Complaints concerning the placement of migrant students will be resolved by means of the District's complaint resolution procedure for homeless students.
